## *Tau Beta Sigma – Zeta Psi Chapter*

### **\*\*\*Hey Sisters!\*\*\***

Greetings to all the sisters of the SED! This is the annual newsletter from Zeta Psi at UCF to let you all know what's been going on down here in Orlando, Florida.

Love In the Bond,  
Shannon Lopez  
Zeta Psi Recording Secretary

### **\*\*\*\*\*FALL\*\*\*\*\***

With summer coming to a close it was time to start prep for the 2015 marching season with the Marching Knights! Our sisters were hard at work, fitting uniforms the 300+ ensemble. And the service doesn't stop there; over the course of band camp our marching sisters were certain to maintain and distribute water coolers which was carried on throughout the season.

### Psi Delta Sigma's First Degree

### **\*\*\*RUSH & WELCOMING A NEW CLASS\*\*\***

Once band camp came to a close it was time to begin the fall semester, and with that prepare for rush!

Rush week is always an exciting time for sisters and potential new members alike. The sisterhood was delighted to see such a large turnout of new and familiar faces over the two weeks of event! And as rush week came to a close Zeta Psi was overjoyed to welcome fifteen new membership candidates to take on the process we all know and love!

\*\*\*\*\*SERVICE UPDATE\*\*\*\*\*

The remainder of the semester was a great time for the sisterhood as we grew closer and continued to serve the bands. Assisting with water and first aid during football games, helping in facilitating ensemble auditions and having the new class help us find more water/Gatorade storage were some of the ways we carried out our 8 to 5s this semester!

\*\*\*\*\*Wrapping Up the Semester\*\*\*\*\*

As fall came to a close the UCF football had a rough time wrapping up their 0-12 season, however through it all Knights fans were kept encouraged and excited by the Marching Knights playing in the stands and taking on the field!

Additionally, with all of our MCs completing their process we were finally able to welcome them all officially as sisters into our wonderful organization! Welcome ΨΔΣ!

\*\*\*\*\*SPRING\*\*\*\*\*

Following one of our largest classes came Pi Rho Delta, an MC class of two lovely candidates. It was interesting to see very different dynamics between large and small classes over the two semesters. But rest assured that even though they were small in numbers they were big in serving the bands; as the two worked together to complete our chapter sponsor's service project of folding ALL of the Marching Knight's garment bags!

Pi Rho Delta Class- Spring16

\*\*\**That's A Wrap!*\*\*\*

With finals and graduation right around the corner our chapter comes together to reflect on what the graduating seniors have done for our organization at our alumni ceremony. And with that, we reflect on what Zeta Psi has accomplished this year.

During the 2015-2016 school year we have: Brought 17 incredible new sisters into our chapter, served the bands by fitting/hemming 300+ uniforms, distributed 1000+ bottles of Gatorade and water during football games, had sisters attend DLC and SED, acquired three stripes for the Focus on Five Campaign and one lyre piece and with that have developed stronger ties as an organization, learned many lessons as friends and most importantly; created countless memories as sisters!
